Guidelines

All nominations must be for properties located within the City of Frederick. Properties do not have to be within the Frederick Town Historic District or have historic district overlay designation to be eligible for these awards but the property must be at least 50 years old or older. Projects must have been completed within the last three years and will be evaluated according to the *Secretary of the Interior's Standards for the Treatment of Historic Properties,* as applicable.

Categories

Bricks and Mortar Rehabilitation Award
Awarded for superlative work in the restoration or rehabilitation of a historic property. Nomination must include:

- A brief description of the project, including a discussion of the building before and after the rehabilitation
- Any special circumstances encountered during the project.
- Color photographs illustrating the project before and after the work including at least one overall image

New Construction Award
Awarded for the sensitive design and construction of a new structure, whether an infill project or addition to an existing historic building. Nomination must include:

- A brief description of the project, including a discussion of the building relates to its context
- Color photographs illustrating the project before and after the work, images showing the new construction in context and at least one overall image

Stewardship Award
Awarded for exemplary maintenance of an historic property or impeccable workmanship on an historic property. Nomination must include:

- A brief description of the work
- Color photographs illustrating the property before including at least one overall image

Community Leadership Award
Awarded to an individual or organization for extraordinary service to the City of Frederick in the field of historic preservation. Nomination must include a brief description of the nominee's outstanding contribution.
