NAC 7 met on Tuesday, April 6, 2010 – 7:00 pm @ North Frederick Elementary School - 7 were in attendance. Cpl Carr was in attendance for the police department. Cpl Carr reported that there were 570 calls for service in the NAC 7 area with 14 arrests. Residents reported suspicious activity at two locations one on Motter Avenue and one on W. 7th Street. There was also discussion concerning the traffic calming speed boxes. Residents reported seeing a box in the area but it appeared not to be working. Cpl Carr said that the batteries are not working (in the past I was told that the boxes could still be gather information even when they appear not to be working). There was discussion concerning the pros and cons of rental licensing. I will be passing the information I received to the committee that is currently discussing this issue.

I provided information on the following: code enforcement “Clean Sweep”, Bike to Work Day, the Crime Prevention Presentation and the Census 2010 Complete Count Office.

Gerald there was discussion with regard to businesses putting out their trash on Saturdays afternoons for Sunday night pickups (this trash is sitting out all day Sunday). What is the procedure?

Devon – A resident had questions with regard to getting a stop sign in his neighborhood and the policy on block parties. He will be contacting your office.

Gabrielle - would you provide me with information on a project that was to be located next to the McDonalds on West 7th Street (formerly the Exxon Gas Station)? The developer came to a NAC 7 meeting with a presentation for a proposed project about 1 year ago.

There was discussion on a speaker or topic for next month.

The next meeting is scheduled for May 4th.
