

**POINT-IN-TIME HOMELESS COUNT  
FREDERICK COUNTY, MARYLAND  
JANUARY 28, 2015**

The Point-In-Time (PIT) Count is a 24-hour survey or “snapshot” of homelessness and typically includes enumeration at emergency shelters, transitional housing facilities, and other locations such as camp sites, libraries, soup kitchens, and day shelters. A concerted effort is made to count all adults and children that are homeless as defined by the HUD definition of homelessness.
