The Honorable Kathy Afzali
Delegation Chair
House Office Building, Room 326
6 Bladen St., Annapolis, MD 21401

Dear Madame Chair,

At its bimonthly meeting on February 25, 2016, the members of the Frederick Chapter of the Maryland Municipal League (MML) held a discussion regarding the Downtown Frederick Hotel and Conference Center. After vigorous discussion, the membership unanimously approved a motion to inform you and the other members of the Frederick delegation that the Chapter supports Frederick City's and Frederick County's efforts to build the Downtown Frederick Hotel and Conference Center.

The Chapter strongly believes that the presence of a Downtown Frederick Hotel and Conference Center would "raise all of our boats" in that the hotel and conference center's visitors would extend their stay and visit the tourist attractions our municipalities have to offer.

We thank you and the delegation members for your consideration.

Kindest Regards,

Russell N. Winch

Commissioner, Walkersville, MD
