POLICE REPORT

Chief Hargis & Sgt Brown were on hand to talk with residents and address any concerns that they may have. He talked with residents about a few scams that are going on including the IRS scam. He also said that Carrollton Park has quieted down quite a bit and reminded residents to please call if they see anything suspicious. Thefts from motor vehicles still continue to be a problem and Sgt. Brown reminded residents to please lock their car doors and remove any valuables within.

Chief Hargis said that FPD should receive their accreditation next month (CALEA). He also talked about staffing levels and for every additional 10k in people, FPD needs approximately 21 officers and 8 civilians.

GUEST SPEAKER:

- Mike Winpigler & Zack Fleagle – Department of Public Works 301-600-1440**
 Mike & Zack were on hand to talk about changes to yard waste. Residents will only be allowed to put leaves in the street from October thru December, no other times. Yard waste will still be collected twice a month in “brown bags”. Also grass clippings are not allowed in the street and Code Enforcement will be enforcing this. The reason is that the Frederick County Landfill will not accept them (from the street) and they pollute the water.

They also talked about the snow removal and the challenges DPW had during the storm. Some of the equipment broke down and the large amounts of snow caused some issues. A resident asked if Madison Street (300 block) could be plowed larger than 1 lane due to the traffic.

If anyone has any concerns regarding streets, lights, trash removal, etc. they can call 301-600-1440.
