Water Connection Guidelines

1. All connection and water meter/detector check fees are to be paid at time of application.
2. The City will make all taps 3/4" through 12". (For over 12", contact your Construction Inspector or Water Superintendent).
3. All services 3/4" and larger that do not have a branch line between the property line and building will have a meter and/or detector check installed inside the building, when possible.
4. Service can be broken down inside the building for fire and domestic use.
5. All installations and materials will meet City of Frederick Standards and Specifications and will require approval of City of Frederick inspectors and water department before water will be turned on.
6. Per Frederick City Plumbing Code, all water services (3/4" and larger) need water valve located at the property line.
7. **WATER LOCATE:** Contact "*Miss Utility*" at **1-800-257-7777** at least 48 hours prior to date needed.
8. **DEVELOPER** is responsible for having all pipe and other service-related items installed, tested and backfilled and street, sidewalk, ground repairs made (per City of Frederick Standards and Specifications).
9. **WATER TAP**
 - a. Prior to calling for water tap to be made, Developers are to have excavation complete and tapping sleeve and valve installed and tested - **This MUST be witnessed and approved by City Inspector**.
 - b. Contact assigned Construction Inspector to tap installation. Inspector will notify the Water Department to make the tap which is normally able to be made by the Water Dept within 24 hours of notification.
10. **METERS and METER Settings** that are to be installed by the Developers are to be picked up at the City of Frederick's Department of Public Works. (**NOTE: Receipt for payment of connection and meters is required before meters will be released**).

CALL IN ADVANCE BEFORE PICKING UP METERS to 301-600-1164 or 301-600-1196.
