OLD BUSINESS:

Monocacy Gateway Project – Mike Sponseller

Mike wanted to talk with residents about the Monocacy Gateway project. He brought up the 4 points listed below.

- Planning Commission voted 4-1 to vote against the recommendation of rezoning the property to MU-2.
- We are on the agenda for the January 11th Mayor and Board Workshop, and likely the Mayor and Board hearing on January 19th, details TBD.
- Last night, I showed the concept plan that represents our ‘Plan B’, if we are not successful in rezoning the property, and end up proceeding under the existing zoning. We are still in pursuit of the mixed use plan, but wanted to advise the NAC and its members of our intended path, should we not be successful in rezoning the property.
- www.monocacygateway.com is the project website, and contains detailed info about our proposed rezoning, but will be updated to reflect the attached plan and other project details as we move forward. Please feel free to refer your neighbors to this site for educational and feedback purposes.
