

## Sustainability Committee

### Minutes

January 9, 2017

6pm - Room C

#### Attendance:

Phil LeBlanc, Mark Broski, Eric Daniels

Alderman: Kelly Russell

Sustainability Manager: Jenny Willoughby

Guests: Samantha Hogan

1. Minutes for September, October, and November were tabled until February meeting for lack of quorum
2. Recycling Fact Sheet
  - a. Mark created the fact sheet and highlighted differences between it and County fact sheet.
  - b. Mark will make a few changes and additions
3. EV Plan Scope of Work
  - a. Phil asked for the deliverables be clearer and Eric asked for more sustainability info in the introduction
4. Watershed Trash Cleanup
  - a. Members in attendance agreed this would be a good event to volunteer
5. Green Neighbor Forum

- a. Need to discuss how to better engage volunteers and attendees—table for February.
- 6. Earth Day Bike Event
  - a. April 29 was selected as preferred date
- 7. Administrative Items and Future Meeting Topics
  - a. Vice-chair nomination tabled for February
  - b. Two openings on committee to fulfill remainder of terms—release announcement for openings this week.
  - c. Phil provided an update of the County's What's Next project: the next report will be available at the end of February, which will go farther in depth into the selected areas. County also will be going through a complete pass of the 10-year plan this year.
- 8. Meeting adjourned
