

Sustainability Committee

Minutes

February 4, 2019, 6pm

Municipal Annex, 140 West Patrick St., Room C

Attendance: Phil LeBlanc, Eric Daniels, Christine Maher, Joanne Petersen, Mark Broski, Emily Roy

Aldermen:

Guests: Ginny Brace

Staff: Jenny Willoughby

1. January minutes were approved.
2. Updating Street Lighting: Ginny Brace presented information to the Committee regarding street light brightness and sensitivity to the lighting. She requested that the Committee take action to change the lights or dim them. The Committee agreed to look into it, however, advised Ms. Brace to present at Neighborhood Advisory Council meetings to gain traction and support.
3. Partnerships Update: Christine said that much of the 2019 Green Lecture series has been scheduled. As each month's lecture is planned, she will send flyers to share.
4. Recycling Project: Emily reported that the County Recycling program did not agree to match the Committee's \$5,000 for the recycling art project. Emily will take it back to the Art Commission to determine next steps.

5. Cigarette Butt Discussion: The Committee letter was approved as amended. Jenny will email to the Mayor and Board of Aldermen once signed by Eric.
6. CIP Budget: Jenny provided an update on the budget process and will send the operations budget information via email to the group.
7. Administrative items:
 - a. Next meeting Mar. 4, 2019
 - b. Green Neighbor Festival is May 4, 2019. Table ideas are needed.
8. No additional public comment.
