

Sustainability Committee

Minutes

June 3, 2019, 6pm

Municipal Annex, 140 West Patrick St., Room C

Attendance: Phil LeBlanc, Katey Grogan

Aldermen: Ben McShane

Guests:

Staff: Jenny Willoughby

1. May minutes approval was tabled due to lack of quorum.
2. Partnership Update: 10AM hike on June 8, 2019 in the watershed on Hamburg Rd.
3. In the Street: We are signed up on the green block. The materials are ready for the new logos and will be ordered after July 1 (new fiscal year).
4. Sustainability Plan: Focus on composting and implementing a city-wide plan. Focus on recycling and outreach. Jenny will do data collection on the compost plan.

Climate action plan funding was approved. Focus on the sustainability committee helping with that in FY 20.

The city has a grant for canopy plan. This implementation will start soon. Jenny is responsible for residential outreach. There are other opportunities to get in touch with HOA's to see if they will plant however easements are a concern and no HOA's have been willing to implement.

5. No public comment. Next Meeting July 1, 2019
