

Sustainability Committee
SPECIAL MEETING

Minutes
August 9, 2019
7pm – Municipal Annex, Room C

Attendance: Phil LeBlanc, Joanne Petersen, James Baker, and Katey Grogan

Aldermen:

Guests: Brandon Mark, City of Frederick Div Mgr Community Planning & Urban Design

1. May and June Minutes were approved
2. Brandon Mark provided information on the City's Comprehensive Plan update. He explained that it was a visioning document that affects our built environment. It considers land use, zoning, water, sewer, and many other aspects of the city. He also explained that public officials will use the document to adopt policies.

Brandon indicated that he is working on the draft plan and is looking for input from City residents, committees, and commissions. He also indicated that Sustainability will have its own chapter in the updated plan.

3. Jenny provided updates on the Green Lecture Series and asked for continued social media support.
4. Jenny reminded the Committee of In the Street and asked for volunteers for each time slot. Giveaways will be forthcoming.
5. Phil provided a brief update on the county's announcement regarding composting.

6. Joanne provided an updated on plastic cup recycling at Alive @ Five.
7. No public comment.
8. Meeting adjourned.
