

# sustainable **FREDERICK**

Sustainability Committee

Minutes

November 4, 2019

6pm – Municipal Annex, Room C

Attendance: James Baker and Katey Grogan

Aldermen:

Guests:

1. August and September meeting minutes were not approved due to lack of quorum.
2. Jenny provided updates on the Green Lecture Series and asked for continued social media support. The last two remaining lectures of the series will be about Raised Beds on November 21 and Residential Compost on December 12. Both will be at the C. Burr Artz library.
3. The Climate Action Plan Letter of Support was tabled due to lack of quorum.
4. There was a discussion about composting at the County and schools. Katey offered to do some research to determine what the County had accomplished so far and what the City might do as well.
5. Vice-chair nominations were tabled due to lack of quorum.
6. No public comment.
7. Meeting adjourned.
