GUEST SPEAKER:

Cpl. Vince Brown – Frederick Police Department Drug Enforcement Unit, Heroin Presentation

Cpl. Brown was on hand to do a presentation on heroin. The presentation included what it looks like, what the effects are, why it is so addictive, how it is ingested, and why it has become so popular. He also talked about the department’s response to this such as education, outreach, and treating each scene (overdose, etc.) as a crime scene to go after those who sell this stuff. Cpl. Brown also distributed information about a program offered by the Health Department. This program is for community members who are interested in overdose prevention. If you have a loved one at risk for a heroin overdose or prescription pain medication, this training will teach you how to:

- The types of Opioids
- How to recognize, respond, and prevent an Opioid overdose as well as how to administer intra-nasal naloxone
- Right and responsibilities for those who choose to receive a prescription for naloxone
- Resources for Family Members, Friends & Loved Ones

For more information on this program please contact the Frederick County Health Department at 301-600-3459
