# CODE OF CONDUCT

Dear Parent / Guardians:

The PAL program brings youngsters and police officers together in a recreational setting. The police officer's role is the reinforcement of the values and attitudes instilled in young people by their parents. The PAL program promotes a greater trust and understanding between youngsters and Officers.

The well being of your child/children is of the utmost concern to us while they are participating in the Frederick Police Activities League (PAL) programs.

In putting the safety of your children first we have developed a code of conduct that will be in effect while the center is open. Please review this code of conduct with your child/ren.
